E-mail Alerts

Signing Up For Email Alerts

If you would like to be notified when new documents are available on a project, please sign up for email alerts. By signing up for email alerts you will start receiving emails to inform you when new documents are available on EnviroStor the morning after they have been posted.

Step 2: Complete the sign up form and enter the two security words displayed below. If you are unable to read the security words, click on the "refresh" Icon to request a new set of words.

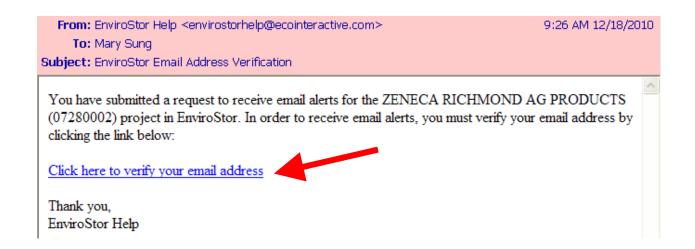

¹ We are committed to ensuring that your information is secure. We will not sell, distribute or lease your personal information to third parties.

The following message will be displayed after the form has been submitted.

A verification email has just been sent to *msung@dtsc.ca.gov*.

To begin receiving email alerts for this project, you must click on the verification link in the email.

Step 3: Once the verification email has been received, the requestor must click on the link 'Click here to verify your email'.

After clicking on the link, the following message will be displayed and the subscriber will begin receiving alerts for the project(s) they are interested in.

You have successfully verified your email address. You will now receive email alerts when documents are available on the project(s) you have signed up for.

Email alerts are sent out the morning after documents have been made available on the public website. Subscribers will receive one consolidated email with all their sites if they subscribe to multiple sites.

Unsubscribe Process

Each email that is sent out to subscribers will have an 'unsubscribe' link. Simply click on the link and the following message will be sent to the subscriber to inform them that they have successfully unsubscribed from the project.

You have been successfully unsubscribed from receiving email alerts for the WHITTAKER/BERMITE FACILITY (19281087) project.
